d. Noted that Mr. S. Paul Johnston had suggested that  
CIA might wish to give a briefing to selected representatives  
of the aircraft industry on Soviet aircraft production, and had  
given him a suggested list of people who might be invited to  
attend such a briefing. The Director said it appeared to him  
this proposal would, if carried out, present a problem as to  
the selection of people who would attend. General Cabell remarked  
that the proposal in question is not new and in fact General  
Samford had turned it down on several occasions and CIA had done  
likewise last year. The above-mentioned list was given Mr.  
Amory for consideration and DD/I remarked that possibly the  
newly appointed Secretary of the Air Force, Mr. Quarles, should  
give this briefing.

e. Stated that for some time he had felt that in order  
to prevent too many people from "going off" in different

Mr. Amory:

a. Reported that after discussion with Otto Guthe it was believed that Mr. [redacted] could be spared to assist Mr. Arthur Flemming and undertook to so advise him. The Director approved.

b. Noted that during an informal luncheon with Max Raab the subject of the executive pay raise had come up and Raab had recommended that the Director advise the Chairman of the Civil Service Commission as to the CIA position in this matter. To this end Mr. Amory said he had prepared a proposed memorandum to Mr. Young for the Director's signature which was given to Mr. [redacted] for presentation to the Director.

25X1

c. Asked who had responsibility to arrange for further discussions with Miss Frances C. Knight, Director, Passport Office, Department of State. [redacted] noted that DD/P had the ball on this and undertook to advise DD/I when the discussions will be held.
